RE: Cause 08-092015

Recommendation: Vote to dismiss the cause 08-092015

Background:

In September, the Petitioners filed a motion for SBOE review of School Corporation's decision to expel the Petitioners for lack of legal settlement within School Corporation's boundaries. I set a hearing for October and ordered that the children remain in the school where they had been attending, within School Corporation, until this matter was resolved.

Before the hearing, the Petitioners and School Corporation worked out a plan for the Petitioners' father and grandmother to sign affidavits regarding their residences (Petitioners' father was moving back within the boundaries of School Corporation and School Corporation wanted assurance that the move was taking place). School Corporation then agreed that the children will remain in attendance at the school where they had been attending, within School Corporation's boundaries, thereby resolving this matter.
